Are you an enthusiastic, highly motivated person and extremely well organised person? If so, this is a fantastic opportunity to become a key member of the support staff at Ribblesdale High School, working in the heart of the Ribble Valley in Lancashire.

The role is to provide practical and administrative support to the science department to facilitate effective teaching and learning. You will be required to prepare equipment and chemicals for practical lessons, ensuring resources are maintained, stored and disposed of appropriately.

The successful candidate will be a proactive and positive person, who is thorough and able to work on his or her own initiative.

It is essential that you have strong IT skills and experience of Microsoft Office.

Experience of working in a laboratory would be advantageous.
